

Ida H. Hyde Scholarship for Women in Science to Study at a Non-KU Research Laboratory

The Ida H. Hyde Research Scholarship fund provides an annual award (past awards have ranged from \$500 to \$3,000) to an advanced (upper-class or graduate) woman student in biology to provide an opportunity "...to study in the Marine Biological Laboratory in Woods Hole, or any other marine laboratory, or any biological, chemical or physical research laboratory, offering environment and advantages different from those found in the University of Kansas...." The prize will be awarded at the biology spring graduation recognition ceremony.

To apply, please submit the following:

- 1) Application Form for Awards & Scholarships: available at www.kuub.ku.edu and in 2045 Haworth Hall
- 2) Letter written by the applicant outlining past accomplishments, a brief description of the research objectives, the study location, and a description of the benefits to be derived from the opportunity to study elsewhere
- 3) Letter of recommendation with waiver form (waiver available at www.kuub.ku.edu and in 2045 Haworth Hall)
- 4) Advising Report (access this through your Kyou Advising Portal, click on "Print Advising Report")

Submit application materials and address questions to: Angela Gere, Undergraduate Biology, 2045 Haworth Hall, 864-5885 (AGere@ku.edu). Questions also may be addressed to Jen Weghorst, Assistant Director, Undergraduate Biology Program, 2045 Haworth Hall, 864-5883 (weghorst@ku.edu).

*Estimated Deadline for Receipt of Application Materials: early October and late March**

** A call for scholarship applications will be e-mailed to biology majors and will be posted on the "Awards and Scholarships" web page in semesters when the scholarship is able to be offered. Exact deadline to be determined.*
