Sigma Gamma Epsilon (SGE) is the Earth Science Honor Society for both undergraduates and graduate students at KU. This organization is focused on the scholastic, scientific, and professional advancement of its members and the extension of relations of friendship and assistance among colleges and universities, which are devoted to the advancement of the Earth Sciences. Listing SGE on one’s résumé tells a prospective employer or a colleague that you are professionally and academically motivated. We are looking for students who want to carry on the legacy of the original founding chapter of SGE through academic outreach, community service, and professional networking.

2017 Fall SGE Membership form

Any person in any branch of the Earth Sciences who has completed at least 10 semester hours in Earth Science courses and has maintained a minimum 3.0 G.P.A. in all earth science courses, and with an overall G.P.A. of 2.67 overall is qualified for membership. The membership fee is $40 ($25 initiation fee and $15 dues) for new members and $15 for returning members. If you would like to become a member, please fill out the application (with membership fee) and drop it off in Lindley Hall Room 215 by October 20th. Contact SGEalphaKU@gmail.com with questions.

Please make checks payable to “Sigma Gamma Epsilon Alpha Chapter”.

Name: ________________________________

Undergraduate ☐ Graduate ☐ Birthdate (YYYY/MM/DD): ____________

Returning Member? Yes ☐ No ☐ If yes, what chapter/university? __________________________
